A PRIEST OF PRIESTS

(CHAPLAIN, PASTOR, MENTOR, FRIEND)

THANK YOU LORD FOR SHARING HIM WITH SERRA

"We are truly blessed to have had a priest of such depth, skills and conviction as Msgr. Sammon. His relationship with his parishioners and the special communities he has ministered to throughout his career make him unique and appreciated by many. His personal insight and historical perspective has been invaluable to me over the years and we will always hold him in the highest esteem."

THE MSGR. JOHN F. SAMMON FUND

The Serra Clubs of Orange County have established the Msgr. John F. Sammon Fund in memory of our beloved chaplain and inspiration. The purpose of the Fund is to advance and support vocations to the Roman Catholic priesthood and the religious life, and particularly for the support of seminarians of the Diocese of Orange. The Fund has been set up as a sub-fund within the Orange Catholic Foundation ("OCF") and is entitled to its Sec. 501(c) tax status.

Donations can now be made to the Fund. Checks can be written to the Msgr. John F. Sammon Fund, or to the Orange Catholic Foundation with the Fund identified on the memo line. Checks should be sent to:

contact (714) 282-3021 or info@oc-foundation.org.

The OCF is separate and distinct from the Diocese of Orange. Any donations made to the Msgr. Sammon Fund will be sequestered in a separate account from an accounting standpoint. The moneys in the Fund initially will be invested in a money market fund. When a sufficient corpus is built up, the moneys will be invested along with the other OCF funds, but the accounting for the Fund will still be separate, and distributions made to recipients suggested by a Serra Club Committee in the name of the Fund.

The Committee will be composed of the presidents of the Serra Clubs of Orange County, the District Governor of Serra International District 127, Region 11, and one member from each club appointed by the trustees thereof. It is contemplated that these appointees will serve a period of four years to bring a sense of continuity to the Committee. It is further contemplated that initially the appointees will have staggered terms, i.e., one appointee will be appointed for one year, another for two years, a third for three years, and the fourth for four years. Subsequent appointments will be for the full four years. The Committee will periodically meet and determine what directions will be given to the OCF.

We encourage the Knights of Columbus to consider making donations or providing for bequests to the Fund in their wills, and that others who fondly remember Msgr. Sammon will do likewise. Website: www.serraoc.org
